

CAPABILITY STATEMENT

Consulting • Technology • Managed Services • Community Services

AAM Consulting provides strategic consulting technology services and managed services to commercial, not for profit and government organizations. Our Consulting can mobilize the right people, skills and technologies to help organizations improve their performance.

As a Minority Owned Small Business AAM is committed to excellence and creating innovative and flexible solutions for our State and Federal clients.

What sets AAM apart from the competition?

- Our People
- Performance-Based Processes
- Integrated Solutions Teams
- Client Relationship Management
- Strategic Mix of Technology and Business
- Community Focused

CORE CAPABILITIES

Our technology experts and business professionals analyze research, design and implement solutions in the areas of:

- Consulting
- Technology
- Managed Services
- Community Services

Consulting

Our Consulting Services focus on integrated solutions designed to enhance the performance of your business. By incorporating industry best practices into your business processes and management strategies, we can help you stay ahead of the competition and better serve your customers. Our services include;

- Business Strategy & Planning Support
- Change Management & Facilitation Support
- CMMI Process Development and Assessment Services
- Cybersecurity
- Training

Technology

Our Technology Services focus on developing robust, secure and stable technology solutions for your business. By incorporating common sense solutions into seemingly daunting deliverables, we can ensure at the start of the project that we will safely deliver the product to completion. Our services include:

- Cybersecurity
- Application & Web, Design & Development
- Commercial Off the Shelf (COTS) Integration
- Data Loss Prevention (DLP)
- Database Design, Development, & Maintenance
- Architecture Solutions/Networking
- Cloud Services

Managed Services

Many companies these days choose to focus on their core strengths and outsource certain business processes. If you choose to go that route, AAM can help you in the following areas;

- Business Process Outsourcing
- Application Outsourcing
- Resource Management
- Help Desk Services
- Infrastructure Outsourcing

Community Services

AAM, believes that the greatest service of all is our service to mankind. With this at our core AAM not only provides Technological services, but the following community services as well:

- Stakeholder Engagement
- Community Engagement
- Training
- Mentoring
- Internships
- Job Placement
- Record Expungement
- Community Service

Federal Certification
